Our Service Extends to On-Site Installations, Repairs, Consultations, and Recommendations

The Repair Process:

- We can pick tools up or you can send them to either of our **two** locations noted above
- Once your tool is received, our technicians disassemble and evaluate it for worn or damaged parts.
- Once evaluation is complete, a repair price quotation is created and sent to you for review and approval.

Benefits:

- Reduce operating costs, avoid down time and enhance safe operation of your tools and overhead lifting equipment.

Warranty:

- Our repair warranty is 90 days for labor and typically 1 year for parts.

We are a factory authorized service center for:

- Ingersoll Rand, SPX Flow, Mountz, and Harrington. Zo Air only uses genuine OEM (Original Equipment Manufacturer) replacement parts.
